Dear Dr. Powell:

I am writing to inform you that on June 26, 2009, the Committee on Accreditation, on behalf of the Commission on Teacher Credentialing, assigned the status of *Accreditation with Stipulations* to the Fresno County of Education and all of its credential programs.

Following are the stipulations:

  - That the institution submit evidence that candidates advisement is systematic and documented and that the appeals process is clearly defined for candidates through a student handbook.
  - That the institution submit evidence that it has addressed the three standards that are less than fully met for the Career Technical Education and the Adult Education Teacher Preparation programs.
  - That the institution submit a program proposal addressing the 2008 CTE Program Standards.
1. On the basis of this decision, the institution is authorized to recommend candidates for the following Credentials:
- Designated Subjects: Adult Education Credential
  - Designated Subjects: Vocational (Career Technical) Education Teaching Credential
  - Designated Subjects: Supervision and Coordination Credential
  - Designated Subjects: Special Subjects Credential

2. In addition:

- Fresno County Office of Education is permitted to propose new credential programs for approval by the Committee on Accreditation.
- Fresno County Office of Education will continue in its assigned cohort on the schedule of accreditation activities, subject to the continuation of the present schedule of accreditation activities by the Commission on Teacher Credentialing.

Should you or your staff have any questions relating to this action, you may address them to Teri Clark, Administrator of Accreditation, at (916) 323-5917.
